

Thanks for supporting One Crewe!

You can download our 'partner pack' from our website, by visiting the 'get involved' page. And here's some suggestions of how you can show your support.

1

If you're a business, community group or local charity – you can add our logo to your email footer, like the example below.

2

You can also add the logo to your website, in a similar way.

3

If you're active on social media, you can share your support, and our logo on your preferred platforms.

4

Feel free to use our logo in print too, whether it's on a leaflet, menu, poster or signage.

If you have other ideas to show your support, we're all ears!
